Special Event Sponsorship 2021

Thank you for considering a business sponsorship with Mount Evans Home Health Care & Hospice. Your investment as a Special Event Sponsor makes a difference to the level of health care available in our community. This past year our **staff delivered over 25,000 patient visits across a four county area, regardless of their insurance status or ability to pay.** The onset of COVID19 provided additional challenges but our service continued throughout the pandemic. Your sponsorship dollars support our staff in continued delivery of care to the entire mountain community.
